First Meeting of the New Council

J. H. Dawson Elected Chairman of the Council on Motion of Councillor Graham, Seconded by Himself—Councillor Logan Protests Against the Action Taken—The Other Business

The first meeting of the newly elected village council of Wainwright was held in the office of the secretary-treasurer on Tuesday evening of this week.

All the members of the council were present at the session, viz: J. H. Dawson, V. E. Graham and J. H. Dawson.

As there had been considerable discussion among the ratepayers regarding the appointment of the Chairman, it was generally expected that there would have been a much larger attendance at the first meeting, but the only ratepayers present were C. G. Fieldhouse and the STAR man. N. S. Kenny was an interested spectator also.

The first business on the tapis was the appointment of a chairman for the council this year and as a result the discussion waxed exceedingly warm at times. It all started when Councillor Graham rose to his feet and said:

"My action may seem strange to a number of my supporters, but I will have a few words to say about this matter at some future time. I take great pleasure in nominating J. H. Dawson for the position of Chairman of the council."

The secretary then asked the members whether there were any other nominations for this office. There being none he asked for a second for the nomination made by Coun. Graham. No one replied. Coun. Dawson then turned to Coun. Logan and asked him whether he would second this nomination and the reply was: "Most emphatically I will not."

Coun. Dawson:—"I will second the motion made by Councillor Graham."

The secretary-treasurer then declared Coun. Dawson duly elected chairman for this year.

Chairman Dawson then took the chair and said:—"I feel that I have been doing considerable honor to-night by being re-elected chairman of the council. As far as lies in my power I will do all I can to promote the harmony, good will and prosperity of the town."

Coun. Logan asked permission of the Chairman to say a few words before the meeting proceeded to discuss their business. On this being granted, he said:

"I feel by the action taken to-night I have not received justice from my fellow councillors. The vote at the election Monday last showed in no uncertain manner who was the choice of the majority of the ratepayers. In this election I was returned at the head of the poll and I feel that I would not be doing my duty by those who placed me there, did I not enter a protest against the action taken by this meeting. The office of chairman should at least have been offered to me. According to English law and the precedent established by the last council, the voice of the majority shall prevail. This has not been the case to-night. I might say that I will work in perfect harmony with my fellow councillors, and at all times use my utmost endeavors to promote the best interests of all the ratepayers of the village."

Chairman Dawson:—"Were I wishing to create an antagonistic feeling, I could make certain statements offsetting the foregoing."

The council proceeded to continue business, the minutes of the last regular meeting and the special meetings of the ratepayers being read and ac-

cepted on motion of Councillor Graham, seconded by Councillor Logan.

After the conclusion of these matters, Coun. Logan craved the permission to make a few remarks regarding his standing before the matter dropped entirely. Chairman Dawson signified his willingness and the Councillor said:

"In my previous remarks I overlooked certain statements which have been made, not once, but on several occasions, that I was the candidate of a certain clique, known as 'The Corner Clique.'"

Chairman Dawson:—"I made that statement."

Coun. Logan continued:—"Furthermore, it has been said that this clique was composed of Messrs. Foster, Pawling and Ross. I wish to state that I was not the candidate of any clique or party of ratepayers. I am the servant of all and will look after the interests of every ratepayer in an entirely impartial manner. Not only has this statement been made but it has been stated further, that this clique in its entirety was composed of Messrs. Foster, Pawling and Ross and the scribe (pointing to the STAR man). I wish to state here, in front of every member of the council, that I was not the candidate of any clique. The parties mentioned may have wished to have seen me elected and may possibly have worked for my election, for which I thank them. But gentlemen, I am not the representative of a clique. These ratepayers, so far as I am concerned, will not have any more control over my actions than any others. I am representing Wainwright and in order to do so, I must work and care for the interests of all. This explanation I consider is due to my friends and supporters. I have cleared my skirts. Thanking you, Mr. Chairman, for your courtesy."

During the delivery of Coun. Logan's remarks, he was interrupted several times by the Chairman, but he claimed the privilege of the floor, having had consent to speak on this matter.

Mr. Dawson:—"I am very sorry that these statements have been made, and I consider Mr. Logan's remarks entirely out of place."

The next matter to receive the attention of the council was the appointment of a secretary-treasurer.

H. V. Fieldhouse said that he could not fulfill the duties of the office at the salary paid last year and asked an increase from \$20 to \$40 per month.

The Chairman stated that he had always considered the secretary-treasurer had never been paid half enough for the duties he performed.

While Coun. Logan fully appreciated the services performed by the secretary, he considered the salary asked a little steep. The village must be run as economically as possible. He favored the payment of the salary asked during the months the assessment and tax work is handled.

He made the following motion:—"That we invite applications for the position of secretary-treasurer. There was no second. The following motion was then carried:—"That H. V. Fieldhouse be re-engaged as secretary-treasurer at a salary of \$40 per month." Moved by Chairman Dawson, seconded by Coun. Graham.

The council received notice that the fire hall was insufficiently lighted and the secretary was instructed to notify the chief of the fire brigade and the owners of the hall that the council would not pay the rent due until lights had been placed in the hall at places designated by the chief.

It was decided to hold the regular weekly meetings of the council on Tuesday nights in the office of the secretary-treasurer. The ratepayers are requested to be present at those meetings.

A petition was received asking the council to call a meeting of the ratepayers as required by the Act for the purpose of taking a census of the village, in order to apply for incorporation as a town municipality.

Moved by Dawson that the Chairman be instructed to issue notices calling the meeting.

Moved in amendment by Councillor Logan, seconded by Coun. Graham that matter be laid over until the next meeting of the council. The amendment carried.

The first finding the citizens had of the intention of the bank to open here was last week, when G. S. Orde, of Winnipeg, an inspector of a bank arrived in the town and took an extended trip through the surrounding country. He was so pleased with the prospects of the town and district that he lost no time in completing arrangements for the opening of the bank.

G. M. Upham, lately manager of the bank at Milestone, Sask., has been appointed manager of this branch and informed The STAR that they would be open for business early in the week.

The Union has long been known as one of the most progressive of the many Canadian chartered banks and one which for some time been devoting considerable attention to Western Canada.

The 45th annual statement shows the standing of the bank to be excellent and it is one of which any institution might be proud. The paid up capital of the bank is \$3,203,070, with a rest account of \$1,000,000 and total assets of over \$40,000,000.

Wainwright is sure to be congratulated upon having been deemed of sufficient importance for the establishment of the second bank here.

The Union Bank has over 170 branches throughout the Dominion.

Two classes will be formed, as soon as arrangements can be made, and class leaders appointed.

On Sunday, February 6th, the re-opening services of Grace Church will be held in Grace Church, every Sunday, as follows:

Morning at 11 A.M.
Evening at 7:30 P.M.
Fellowship Meeting at the close of each Evening Service.

Week-night meeting, Prayer and Bible study, every Thursday evening from 8 to 9 o'clock.

Two classes will be formed, as soon as arrangements can be made, and class leaders appointed.

On Sunday, February 6th, the re-opening services of Grace Church will be held, morning and evening, the Pastor preaching at both services.

Morning Subject:—"Christ's Tabernacle."
Evening Subject:—"In the Field."

Special Music by the Choir, at both services.

The Presbyterian, and Methodist Services, next Sunday, Jan. 23rd, will be held in the Church building again. Though the interior finishing now in progress will not be quite complete, the plastering will be dry, and the building clean and warm.

Rev. T. W. Bateman's subject in the evening will be "Play the Game." Athletes and Politicians especially invited.

Union Bank Opens Branch

Wainwright Will Now Have Two Banking Institutions—Impressed With the Town

The Union Bank of Canada, seeing the possibilities of our town and district, have decided to open a branch of their bank here.

They have leased the building formerly occupied by the postoffice and at the present time it is being thoroughly renovated.

The first finding the citizens had of the intention of the bank to open here was last week, when G. S. Orde, of Winnipeg, an inspector of a bank arrived in the town and took an extended trip through the surrounding country. He was so pleased with the prospects of the town and district that he lost no time in completing arrangements for the opening of the bank.

Election of Trustees

Annual Meeting of the Ratepayers Held in the Schoolhouse—Election of Trustees—Small Attendance

The annual meeting of the ratepayers of the school district was held in the schoolhouse on Saturday last for the purpose of hearing the different reports as required by the Ordinance.

It is to be regretted that the attendance is not larger, there being only about twenty present at this meeting.

It was announced that there were two vacancies to be filled on the school board; owing to the term of Trustees Dawson having expired and Trustee Limpert having resigned. The returning officer stated that the first nomination received would be elected for the three year term and the second for a year, in case there were no other nominations. If an election was necessary, the candidate receiving the highest vote would be elected for the long term.

There were only two nominations received, in the following order:—J. H. Dawson and W. E. Walsburn and they were accordingly declared elected.

The members of the local lodge of the Knights of Pythias held a very pleasant "at home" in the Auditorium on the evening of Jan. 14, which was largely attended by the members of the order. The hall had been prettily decorated for the occasion, two very nice little alcove having been built in the corners of the hall and which were furnished with splendid taste.

In the early part of the evening the programme consisted of a progressive euchre party, followed by a dance and supper.

The music furnished for the dance was excellent, being furnished by Mr. and Mrs. Wilkinson, of Scott. During the evening Mr. Wilkinson rendered several songs in an excellent manner and received encore after encore.

The supper was served on the stage, and the guests sat down to a beautiful repast made up of all the delicacies of the season. A novel feature of the supper were bouquets of carnations placed at each plate. A toast list was gone through after the conclusion of the supper.

The gathering broke up at a late hour, everyone having enjoyed a splendid evening.

The Wainwright Cafe was opened for business last week.

After the best exhibition of hockey ever seen in the town, the local team succeeded in defeating a team composed of G. T. P. boys on Wednesday by a score of six to five.

The game was fast from the start and was of the strenuous variety and from the time the bell rang for the commencement of play until the finish there was no slackening in the play.

There are a number of exceptional players on both teams and Wainwright should have no difficulty in winning the championship with fourteen first class players to select from. The teams lined up as follows:

Wainwright: Goal, Lafontaine; point, Washburn; cover point, Phinton; rover, Morrison; centre, Lally; r. w. Mills; l. w. Cummer.

G. T. P.: Goal, Smith; point, McMillan; cover point, Grieves; rover, Beattie; centre, Thompson; r. w. Kyle; l. w. McKee.

Messrs. McIntyre and Watson were the officials.

EDGERTON DEFEATED

Ribstone defeated the fast Edgerton team at the latter place on Tuesday after a hard game by a score of four to one. The play was very rough at times and several of the players were more or less battered up.

The teams lined up as follows:

Goal, Grieve; point Taylor; Cover, Paysey; rover, Davies; Left, Sparks; Centre, Fraser; Right, Kerr.

Ribstone: Goal, Cole; point, Harrison; cover point, Nicholson; rover, Wimbles; centre, Hurst; right wing, Smith; left wing, J. Newstead.

W. Wimbles, of Ribstone was the referee and his decisions were fair to both teams.

There was only one penalty inflicted during the game, Wimbles of Ribstone being the offender.

The Wainwright Cafe was opened for business last week.

The Local News of the Past Week

Many Items of Interest to the Readers of the Star, Gathered From Different Sources—Meetings and Gatherings—Visitors to the Town—A Short History of a Busy Week in Wainwright

The roller skates for the roller rink have arrived.

Quong Tom returned from a business trip to Edmonton.

Mr. F. H. Rowe, of Edgerton was a visitor at the Star office this week.

The Young People's Guild will hold a social gathering at the residence of Rev. J. A. James, on Wednesday evening next. A short programme will be rendered, after which refreshments will be served. There will be a prize for the best Irish story.

Mr. W. E. Shimbles formerly operator in despatcher's office here has been appointed train despatcher at Wainwright, Alberta. We all wish Mr. Shimbles every success in his new and responsible position.—Melville Canadian.

H. C. King deserves great credit for his enterprise in making arrangements for the appearance of the celebrated Strachan-Spence Entertainment Co. here on Tuesday evening last. They were greeted by a bumper house and everyone thoroughly enjoyed themselves. The different members of the company received encore after encore.

The field crops of Canada for the past year are estimated at \$532,002,100 an increase of \$100,458,300 over last year.

The residents of many of the Western towns have been stung at different times by alleged entertainments, but this town sure got up against it, hard on Monday night when an alleged comedy company travelling under the name of the Clark-Woldor Comedy Co., put on an entertainment in the Auditorium Opera House. It was the fiercest proposition we have seen yet. The hall was filled to capacity when the show started, but at the conclusion of the entertainment there was not over fifty people who had courage enough to stay to the finish.

The town had a very close call from a serious fire on Tuesday night. Some parties dumped a pile of hot ashes at the rear of the McKee & Readman block, and during the high wind which sprang up about nine o'clock they were fanned into a blaze, setting fire to a pile of wood nearby. In the future it is hoped that parties placing ashes in the yards should put them in steel or tin receptacles or in the lane. If this fire had not been discovered at the time when it was the hardware of Washburn & Mills and the Wainwright Hotel would undoubtedly have been destroyed. The council has taken this matter in hand, and will at once take steps to put a stop to the practice.

The annual meeting of the Board of Trade will be held in the Wainwright hall tomorrow night. The election of officers will take place.

The pay car arrived on Monday night last.

The railways of Western Canada added 10 per cent to their total mileage during 1909.

Another new enterprise was launched this week in the shape of a rooming house by the Wainwright Cafe.

We are now assured by Scientists that Hitley's Comet will come and go without doing much damage.

W. W. Yeager, of Hamilton, Ont., who had been appointed locomotive foreman here, arrived from the east last week.

Mr. and Mrs. H. C. Wilkinson of Scott, who has been visiting friends and acquaintances in the town for the past few days, left for their home on Monday.

There were in Canada last year 1,442 insolventcies which involved \$12,002,800 of defaulted indebtedness. In 1909 the failures were 1,610 representing \$14,931,750.

That Ribstone's hockey team are certain to be hard contenders for the championship of the E. A. H. L. this winter. They are now tied with Wainwright for first place.

A company of Canadian and U. S. Capitalists have formed a company with a capital of five million dollars for the purpose of developing the Oil and Asphalt industry in Athabasca.

There will be a toboggan social held by the Ladies Aid of the Grace Church, on Tuesday, Jan. 24th, at Mrs. E. C. Logan's. Lunch will be served by the ladies at the home of Mrs. Logan from 9 to 11 o'clock.

J. W. Pringle, who has been the locomotive foreman at the shops here for some months past, left for Edmonton last week, accompanied by his family, where he will be employed in the mechanical department at that place.

The members of the newly elected council and the press were the guests of Chairman Dawson and H. C. King at the Strachan-Spence entertainment at the Auditorium on Tuesday evening, after the conclusion of the first meeting of the council.

Supr. Ed. Ellis, of the Buffalo Park, returned last week from a trip to the Elk Island Park, where he was assisting in the stock-taking of the wild game in the reserve. During his trip he shot one of the buffalo which had gone lame. According to Mr. Ellis, the lame which is now confined in this park, will form the nucleus of one of the best game preserves in the province.

A very pleasant sleighing party was held on Monday night, when a number of the town people drove out to the home of Mr. Martin, to spend the evening. They took their host and hostess completely by surprise but they all report that they were royally entertained. The evening was spent in the usual way at such affairs, games and songs predominating in the programme. The party broke up at a late hour.

The G. T. P. engineers are at present running a line to the Battle River north of the town, for the purpose of finding a suitable place in which to construct a pipe line to the river in order to secure a water supply. There is no doubt but what a pipe line will be built, commencing early in the spring. If this is the case, the town will no doubt be able to make connections with the pipe line to get a supply of water for fire fighting purposes.

The Continued Story of Alberta's Progress

Each Week Bringing Further Evidence of the Wonderful Growth of the Banner Province of the West—Information About Schools—New Alberta Postoffices

Again this week, we publish some further information regarding the phenomenal progress of the province of Alberta since its organization in 1905.

The following information regarding the schools in the province was contained in a report furnished by the government:

ALBERTA'S POPULATION

A census department estimate of the population of Canada by provinces at the end of the last fiscal year, March 31st, is as follows:

Maritime Prov..... 1,037,412
Quebec..... 2,988,461

Ontario..... 2,619,624

Manitoba..... 466,268

Saskatchewan..... 341,521

Alberta..... 273,859

British Columbia..... 280,516

Unorganized dist'..... 58,309

Since March 31st the immigration has totaled approximately 150,000, of which about 100,000 have gone to western Canada. The total population of the Dominion at the end of the year is therefore estimated at about 7,350,000. No accurate data of the distribution of immigrants in the individual maritime provinces is available. Since the census of 1906 census and the estimate of population is based on the general figures as to the number of immigrants who have settled in the east and on an estimate of the rate of natural increase, the increases as compared with the population in 1910 are as follows:

Maritime Prov..... 143,159

Quebec..... 439,503

Ontario..... 436,078

Manitoba..... 211,057

Sask. and Alberta..... 455,140

Unorganized districts..... 6,400

It is certain that at least 40,000 of the 160,000 that have come to western Canada since March 31, have settled in Alberta. This, with the natural increase, would make the population of the province at present at least 320,000. At the special census of 1906 it was 180,000. The provincial government recently decided to inaugurate an immigration policy for the next year with the object of bringing the total up to the 400,000 mark by the time of the decennial census of April 1911. If this is obtained there will be a large increase in the Dominion indemnity.

The above dispatch indicates that we are now within striking distance of that figure.

NEW ALBERTA POST OFFICES

With the beginning of 1910 twenty-one new post offices were opened in Western Canada. Of these fifteen are in Alberta, a large proportion being in the rapidly settling districts south-east of Edmonton. The post offices are: Blooming Prairie, Botha, Castor, Earle, Evergreen, Halkirk, Hughenden, Lake McGregor, Lucky Strike, Lunnford, Maycroft, Moyerton, Paradise Valley, Redwater and Thorion.

Edmonton Will Have Big Fair in 1912

A great Provincial Exhibition to be held in Edmonton three years hence, by which the importance of Edmonton as a railway centre may be made known the continent over, is a project which has been taken up by the Edmonton Exhibition association. The exhibition will be designed to celebrate four important events in the city's history—the completion of the main line of the G. T. P. railway through to Prince Rupert; the opening up of the Grande Prairie country and Peace River District by the line of the Canadian Northern railway; the connection of Edmonton with Fort McMurray by the Alberta and Great Waterways railway, and the entrance of the C. P. R. to Edmonton on the completion of the high level bridge.
